Resolution X has grown rapidly since establishment in 1998. We carry in hire over 450 moving lamps and over 500 lengths of truss. More importantly, this is backed up by quality service and support by our enthusiastic and highly experienced staff.

Our specialty is complete production, including design, installation, operation and removal. We cater for all types of production, events, exhibitions and the unusual.

We offer a competitive driveway hire service. Professional equipment, well maintained and reasonably priced.

Please use the following price list as a guide to your rental requirements. Always feel free to contact us for advice as to what product would best provide a solution to your requirements. We are here to help provide the best solutions.

As we are constantly improving and expanding our equipment base, always contact us for a quotation. The prices shown are for small and short term hire. Allow us to provide a competitive quotation on larger or long term hire.
